

**"ODD MAN OUT" Benefit for Rock the Ride**  
**7pm Wednesday June 19, 2019 - One show only!**

Napa's Marty Nemko is internationally known as a career coach, author, columnist, and public radio host specializing in career/workplace issues and education reform. But did you know he was also playing piano in a barroom at age 12, leading bunches of drunks singing stuff like "When Irish Eyes are Smiling"? It's true - Marty is an amazing pianist, and is chock full of stories. "Odd Man Out" is Marty's solo show, full of surprises! All seats just \$30. All proceeds go to "Rock the Ride."
