

There are three main types of tickets for Lucky Penny shows at the Community Arts Center:

1. [Season Subscriber Packages](#)
2. [Flex Passes](#)
3. [Single Show Tickets](#)

Season Subscriber Packages are your "season ticket" - you will lock up the seat(s) you choose for all shows in Lucky Penny's professional season, and get other subscriber perks! Please note: We co-produce and/or present shows that are NOT part of the Lucky Penny Professional Season and are not included in the subscriber packages described here. Starting Feb. 8th, 2019, you can follow this link for details and to buy Season Subscriber Packages.

Flex Passes give you five seats to use in any configuration you choose - all for one performances, or spread out over several performances. Make reservations for each separate show and use your Flex Pass to pay. [Follow this link for all the details and to buy.](#)

Single Show Tickets can be purchased in advance online or by phone, and remaining available tickets are sold at the door starting one hour before each performance. [Follow this link to the Single Show Tickets page to see what's on sale now.](#)

There are usually three price levels for tickets

For most shows you will see three price levels shown.

- Student ticket (for those 21 or under with student ID)
- Senior ticket (for those 62 or older)
- Adult ticket (for everyone else)

For some shows we also offer a 12 and under youth ticket at a reduced price.

Ticket prices are NOT based on the location of your seat in the theatre - all seats are close to the stage in our intimate 99-seat theatre. [Follow this link to see a PDF version of the seating](#)

You will see this same layout when you select your seats in the online ticketing system.

In addition to Lucky Penny's Professional Season of shows, we also present a variety of Special Presentations. These are not included in Season Subscriber Packages and Flex Passes cannot be used. □
